Cubin Agent Robbed of Money and Important Correspondence.

NAW YORK, June 25.—The heat to day has been intense. The thermometer indicated by in the shade this afternoon, and even at mid-night has only fallen to 85. The proprietors of country resorts are, however, reaping the benefit of the unexpected weather, as the excouns of summer toursets is earlier and greater this season than in any previous year since the war.

THE CURAN FILINGWERS.

NEW YORK, June 25. —The Sun learns by a private letter from Nuevites, from a gentleman sure to be well informed, that the Spanish battalion of San Queutin, which was sent out from Nuevites es May 28th for the purpose of capturing the passengers and crew of

BIGHT RUNDERD WORKNEY
have been thrown out of employment by the
refusal of Mayor Kalbfielsh, of Brooklya, to
sign the bonds of the Prospect Fark commissisners.

They went in a body to-day, accompanied by a hundred dirt earts, to the city hall
to consult with the Mayor. His Honor informed the commissioners who waited on him
that the law appropriating funds for their pay
was un constitutions, and on that ground be
refused to sign the bond.

lie interest can be justified or excased under any circumstances. They reject it
as repugnant to the institutions and unprecedented in the bistory of the republic. They
desire also to designate the instinutions coatained in the majority report, that this in restigation is instituted for purposes of assailing
the executive branch of the government, as
uncalled for and frivolous. They would be
sorry to this the Execution into the conduct of his agent. The report is signed by
Senators Schurz and Ferry.
The minority recommended the adoption of

the New York Tribune, under date of June 11th, an interesting letter, of which Mr. London press by surprise. There seems to have been at first a desire to keep his illness a secret. He was attacked at home, near Rochester, about twenty-five miles evening papers of the day following. Physicians arrived in rapid succession from the neighboring town and from Lon-don. They all agreed that the case was hopeless from the first moment. His was one of those thoroughbred natures that go

His last visit to "the States," with all its memories, was surely one of the things which in these latter years touched and writings about America was evidently ed for and arrived in time to stand by his more than sincere—it was heartielt, and was meant to persuade America to cherish bed as the lamp went finally out. From the first moment to the last he remained unconscious, and no spoken farewell soft-ened the bitter grief of relatives and toward him the same feeling of yearning affection which he cheriahed and in pri-vate continually expressed toward her. Among his sincere mourners is the Queen. The relations between her and Mr. Dickens were once so far from being true, that Mr. Dickens left himself obliged true, that Mr. Dickens left himself obliged to decline an invitation to the Court. He man be learned to care for that, when an Englishman has learned to care for that, when an Englishman has learned to care for that, when an Englishman who values his growth of the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and the good words of his American reputation and listens for growth and gro

A body, calling fiself the Church of Jesus Circlet of Latter-day Sainta, exists in filinois, which cleims to be the original Mormonism, and the clip of polygany. It accepts the Elibis, but being invited only as such, and reader, but being invited only as such, and reader, but being invited only as such, and reader, but being invited only as such, and the leich should be been the rule for a number of years.

The Presbyterians of Los Angeles, California, have brought suit against Bishop Kip on account of the church, now used by the Episcopalians in that city, which was built under respect to the could not be received on equal terms socially. It was the ridiculous punctilio of some gold-stack-in-waiting that stood after of the May anniversaries in New York show a some of the versions secieties over the precediary rear. In this advance movement the Saytist Home Mission of New York is working with becoming seal. The field is a institution to the Court. He was, in fact, invited as a manteur actor and reader, but being invited only as such, in fact, invited and sa an amateur actor and reader, but being invited only as such, in fact, invited and sa man the learning to the precedit of the common only too are in England, he said that while he yielded to nobody in proper respect for his sovereign, he would not enter any house professionally when the could not be received on equal terms socially. It was the ridiculous punctilio of some gold-stack-in-waiting that stood when he sailed to appear at Preston, even if happened so long ago, that it is only when the remembering to show how much the present of the Queen has proved in such matter actor and arease had been allowed to a suspect. When his physician ordered hum have the could not be received on equal terms socially. It was the ridiculous punctilio of some gol chief among the writers of her time. Mr.
Dickers, not long before his death, gave
to the Queen a copy of the library edition DICKENS, not long before his death, gave to to the Queen a copy of the library edition of his works. She put it in her private cabinet, and asked Mr. Herrs to let Mr. DICKENS know that his gift was placed where it would be always plainest in her sight and readiest to her hand. The letter sight and readiest to her hand. The letter has been departed by the control of the sight and readiest to her hand. The letter has been departed by the control of the sight and readiest to her hand. The letter has been departed by the control of the sight and readies to her hand. The letter has been departed by the control of the sight and readies to her hand. The letter has been departed by the sight has been departed by sight and readiest to her hand. The letter containing this message reached the great novellist's home while he lay slowly dying and unconscious. It is known that public readings two or three years ago, could he have her defended by the Queen and her advisers upon Mr. Dickens. After what he said at Liverpool last year, he could not well be offered a peerage, but he might have had that or any lesser title if he would. Times have changed a little since Macaulay was happy and proud to accept what

Mr. SMALLEY concludes: "He had have changed a little since Macaulay was happy and proud to accept what Dickens could refuse without pride or offense, but simply because he thought the dignity unsuited to him. When he had gratefully declined everything else, the Queen asked him to accept a seat in her Privy Council. It he would not have that either, it was because it confers the title of the wood of the could not have that either, it was because it confers the title of the wood of the other hand it.

Privy Council. It he would not have that either, it was because it confers the title of Right Honorable, and he preferred to be simply Charles Dickers. Intelligence of his death was sent by telegraph to Balmoral, and Colonel Porsonary, one of the household officers, replied. "The Queen commands me to express her deepost regret at the sad news of Charles Dickers' death." The press was filled with culogies, as was only natural, but what was remarkable was that on the second day after the announcement, after the leading articles and biographies had been duly particles are filled with personal reminiscences, and of a personal kind that mark how genuine is the feeling that a spreads through the community. Nobody had a Mr. Woolene will take a cast of the feature of the same sad topue. In most of them the later articles are filled with personal reminiscences, and of a personal kind that mark how genuine is the feeling that a spreads through the community. Nobody had a Mr. Woolene will take a cast of the feature of the same sad topus. In most of them the later articles are filled with personal reminiscences, and of a personal kind that mark how genuine is the feeling that a spreads the boundary of the same sad topus. In most of them the later articles are filled with personal reminiscences, and of a personal kind that mark how genuine is the feeling that a spreads the boundary of the feature of the fe

LIFE IN PARIS.

He had for many years been his own disher. Mesers. CHAPMAN & HALL'S

is true, before an isame and increased as the before the property in any one of his novels had become a fortune, he had sold his rights as author in a considerable number of his books. All these he repurchased, otten by dint of great touble, and by difficult negotiations, always at a price iar beyond that which they had brought in the

Mr. Dickens was bent on buying them up, the price, which was already high, ad-vanced very considerably. The British book publisher is just as capable of driv-ing a hard bargain as his American rival, and Mr. Dickens had to pay dearly for the terms of publication, the form in which his favorite, not on account of its beauty or readableness, for it is printed compact-ly in small type, but on account of its cheapness. What pleased him was that everybody should be able to buy a complete set of his writings, and so he had them all condensed into about seventeen vol-umes, separately published and sold at

umes, separately published and sold at three shillings and sixpence each. He understood the market, studied it, and adapted the supply of his books to the demand. He said four years ago that the copyright of each one of his books became every year more valuable; that is, brought in more actual money. It is to be regreted that there is no really satisfactory edition among the many that have appeared. Mr. SMALLEY thinks it was always Mr. DICKENS' intention to issue his complete works in a form worthy of their place in literature; perhaps after what is now adjoining chamber by a paper partial that there is no really satisfactory deletion among the many that have appeared. Mr. SMALLEY thinks it was always Mr. DICKENS' intention to issue his complete works in a form worthy of their place in literature; perhaps after what is now adjoining chamber by a paper partial to the demand of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from which it is printed work out of the stereotype plates from the stereoty

SUICIDE BY DROWNING.
On Friday night the body of a man was seen floating in the river at the foot of Market street by persons living near that place, which was caught and pulled ashore. The hour be-Coroner was not notified until yesterday morning, when he repaired to the place above named and held an inquest. Papers were found on the body showing it to be that of Mr. C. Externer has been distributed by the body showing it to be that of the control of the body showing it to be that of the control of

It is supposed that, weighed down by pecuniary embarrasements, his mind lost its balance, and, while in this condition, the unfortunate man sought relief from life's troubles in the dark waters of the Ohio. CRUSHED TO DEATH.

The Frank Te-morrow.

The grand picnic by the Dominican Renevolent Society takes place at Woodland Garden to-morrow, hasting during the day and nutil late is night. The members of this society belong to the congregation of the Dominian church, on Surth street, and are doing all in their power to contribute toward series in the creetion of their magnificent new church which is rapidly approaching completion. There will be two bands of much on the grounds all day to-morrow, one has decreased one for the entertainment rest of the rightness. It will be a de-CRUSHED TO DEATH.

Yeaterday afternoon a little negro boy about six years of age met with a violent death by being crushed beneath a huge book case which fell upon him. His name was Charles U. Payne, and he was rised in the family of Mr. C. U. Shreve, on Second street, between Wainut and Chestnut. About 5 o'clock in the afternoon the little negro, in company with a little son of Mr. Shreve, was playing in one of the upper rooms, and, as had been their habit, got upon a book-case-man were awaining to the top, are, crushing him so body that he ded in a few minutes. A little daughter of Mr. Shreve saw the book-case when it commenced to full and snatched her little brother from beneath it, thus saving his lite. The little tegro had a deep cut in his face and his neck was broken. His breast was also badly crushed. No inquest was held.

In the absence of the Coroner, Joel M. Smith, Justice of the Feace, sammoned a jury and held an inquest over the remains of the deceased, and returned a verdict of accidental drowning. A teather pocket book was found upon his person containing a due bill as follows: "Due John McTarley 15 on demand. Duniel McGiaughlin." There are also a bill of account in the pocket book headed Joelah Ramberger—Daniel McGlinghilm in account with Joelah Brown & Co. Deceased was five feet the in highl, apparently about 35 years of sign, features indescribable from decomposition. Had on brown cas dimere pants, check figure shirt, and an old pair of boots. FOUND DROWNED.

New York, June 25.—In the game of base ball to-day the score stood: Stars, 96; Earles, of Flatbush, 0. Fifth-Ward School.

On Friday the pupils of the Fifth-ward school gave an entertainment which was well attended and heartily enjoyed by the patrons and friends of the school. The reading, declaiming and musical performances were received with applianse. The programme was replete with interest and all of the pupils performed their parts well. Among the most interesting features were the cong, "Crossing on the Ferry," sume by Willie Winginton, the violin selo. "The Mocking-blid," by Angast Uhrig, the comic songs by Harry Buon and Maquis Kiau, and "The Merriest Gilt that's Out," sung by Rachael Kaufman. Richard James and Laurs Bennett, both of the Egibb grade, rectived their little pieces in a manner that took the andlence by storm. The about we contrained of the railtors. Remarks were made by Rev. Dr. H. A. Hunfer, Messre. Alex. Duvul and C. O. Smith, President Morras and Major Davis, the former principal of the school. The room was crowded with visitors, and all were very much pieseed with the proficiency and good behavior of the pupils.

The whole passed off pleasantly and to the credit of the efficient principal, Mr. George E. Foskett, his sesistants and the pupils. Fifth-Ward School.

took the audience by storm. The school was canteriained, after the close of the exercises, by a number of the visitors. Remarks were made by Rev. Dr. H. A. Hunfer, Meser. Alex. Durall and C. O. Smith, Fresident Morra and Maior Davis, the former principal of the school. The room was crowded with visitors, and all were very much pleased with the proficient cy and good echavior of the pupils.
